

Project Name: Elz Kozmetik**Group Members:**

150119667 - Ege Eren Ellez (Group Representative)

150119703 – Mert Akbal

150119858 – Yasin Çörekci

Description and Scope:

We will design a database for Elz Kozmetik. The data we will use in the project are the data of Elz Kozmetik located in the Eyüp Sultan. It's have variety of products for customers such as Hair care products, Skin care products, Sunscreens, Skin serums etc.

The project's goal is to offer owners of company a huge, efficient database that is simple to use for organizing and using data that is now difficult to follow and arrange by creating tables as Product, Customer, Order, Costs, Salary.

Customer Info:

ELZ Kozmetik Saç ve Cilt Bakım Ürünleri San.Tic Ltd. Şti. established in 2012.
